

IMFAR 2010 Disclosure Report

*indicates presenting author

Final Number	Name	Title	Relationships
104.005	* R. B. Beaumont	The Secret Agent Society: A Multimedia Curriculum for Enhancing the Social Skills of Children with Asperger's Disorder	The Social Skills Training Institute: Employment (full or part-time) The Social Skills Training Institute: Receipt of royalties
104.007	R. L. Koegel	Type, Function, and Complexity of Language Gains in Young Children with Autism Spectrum Disorder Following Behavioral Intervention	Koegel Autism Consultants: Ownership or partnership
104.007	L. K. Koegel	Type, Function, and Complexity of Language Gains in Young Children with Autism Spectrum Disorder Following Behavioral Intervention	Koegel Autism Consultants: Ownership or partnership
104.008	R. L. Koegel	Using the Tools of the Trade: The ADOS as a Measure of Treatment Change	Koegel Autism Consultants: Ownership or partnership
104.008	L. K. Koegel	Using the Tools of the Trade: The ADOS as a Measure of Treatment Change	Koegel Autism Consultants: Ownership or partnership
105.002	A. S. Carter	Relationship Between Sensory Over-Responsivity and Anxiety in Young Children with Autism Spectrum Disorders:	Alice S. Carter: Receipt of royalties
105.007	A. S. Carter	Early Sensory Over-Responsivity and Affective Symptoms of Children with ASD and Later Family Impairment	Alice S. Carter: Receipt of royalties
105.01	A. M. Wetherby	Early Red Flags for Autism Spectrum Disorders in Toddlers in the Home Environment	Author: Other: AW is an author of the Early Screening for Autism and Communication Disorders (ESAC) Author: Non-remunerative Brookes Publishing: Other: AW is an author of the Communication and Symbolic Behavior Scales (CSBS) Brookes Publishing: Receipt of royalties
105.011	W. L. Stone	Factor Analysis of the Social-Communication Items From the PIA-CV	Vanderbilt University: Receipt of royalties
105.018	A. S. Carter	Utility of the Screening Tool for Autism in Two-Year Olds (STAT) as a Continuous Measure of Nonverbal Social-Communicative Behavior	Alice S. Carter: Receipt of royalties

105.018	W. L. Stone	Utility of the Screening Tool for Autism in Two-Year Olds (STAT) as a Continuous Measure of Nonverbal Social-Communicative Behavior	Vanderbilt University: Receipt of royalties
105.027	* C. E. Rice	Validation of the Autism Spectrum Screening Scale (ASSQ), Mandarin Chinese Version	Consultation: Other: I conduct a limited number of trainings in the assessment of ASDs as an approved outside activity of federal employment.
105.029	* D. Xu	Automatic Identification of Children at-Risk for ASD Using Audio Recording	LENA Foundation: Employment (full or part-time)
105.029	J. A. Richards	Automatic Identification of Children at-Risk for ASD Using Audio Recording	LENA Foundation: Employment (full or part-time)
105.029	J. Gilkerson	Automatic Identification of Children at-Risk for ASD Using Audio Recording	LENA Foundation: Employment (full or part-time)
105.029	S. F. Warren	Automatic Identification of Children at-Risk for ASD Using Audio Recording	LENA Foundation: Other: Member of Scientific Advisory Board (unpaid)
105.029	D. K. Oller	Automatic Identification of Children at-Risk for ASD Using Audio Recording	LENA Foundation: Other: Member of Scientific Advisory Board (unpaid)
105.054	A. M. Wetherby	Parents Use of Language That Follows the Attention of Toddlers with ASD	Brookes Publishing: Other: AW is an author of the Communication and Symbolic Behavior Scales (CSBS) Brookes Publishing: Receipt of royalties Author: Other: AW is an author of the Early Screening for Autism and Communication Disorders (ESAC) Author: Non-remunerative
105.074	C. Lord	Using a Developmental Framework to Evaluate Expressive Language Abilities in Children with Autism Spectrum Disorders (ASD)	Western Psychological Services: Receipt of royalties
105.077	W. L. Stone	Validation of a Measure of Early Object Knowledge in Toddlers with Early Autism Symptomatology	Vanderbilt University: Receipt of royalties
105.077	A. S. Carter	Validation of a Measure of Early Object Knowledge in Toddlers with Early Autism Symptomatology	Alice S Carter: Receipt of royalties
105.114	C. Lord	Autistic Traits in ADHD: Is There a Case for a Co-Morbid Subgroup?	Western Psychological Services: Receipt of royalties

105.13	* H. Block	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: program has been verbally accepted by a publisher--no contracts yet--will know more by conference date
105.13	J. Hood	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: Verbal agreement to publish the manual
105.13	K. C. Radley	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: Program verbally accepted for publication
105.13	T. P. Gabrielsen	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: program has been verbally accepted by a publisher--no contracts yet--will know more by conference date
105.13	B. Springer	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: Verbal agreement to publish product
105.13	B. Jenson	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: Verbal acceptance for publication
105.13	E. Clark	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: verbal acceptance of program by publisher, no contract

105.13	J. Bowen	A Treatment Program Utilizing Multiple Evidenced-Based Components Promotes Acquisition, Generalization, and Maintenance Effects for Social Skills in Pre-School and Elementary Age Children with ASD	Pacific Northwest Publishing: Other: potential publisher
107.007	E. Bullmore	Complex Network Properties of Intrinsic Brain Functional Organization in Autism Spectrum Conditions	GlaxoSmithKline plc.: Employment (full or part-time)
111.012	* S. Bölte	Autism and Autistic Traits: The Clinical Validity of the SRS and the SCDC	WPS / Hogrefe-Huber Publishers: Receipt of royalties
111.014	J. N. Constantino	Autism Spectrum Disorders: A Dimension or Sub-Categories?	Western Psychological Services: Receipt of royalties
111.027	J. N. Constantino	Validating the Accuracy of a Rapid Phenotyping Paradigm Using Web-Based Parent Input	Western Psychological Services: Receipt of royalties
111.035	L. Kenworthy	Divided Auditory Attention in Children with Autism Spectrum Disorders	Lauren Kenworthy: Other: Lauren Kenworthy is a co-author for the Behavior Rating Inventory of Executive Function (BRIEF). The BRIEF was used in this study because it is the primary measure of executive functioning for children with ASD.
111.047	L. Kenworthy	Cognitive Flexibility as a Window Into Restricted, Repetitive, Behaviors and Interests: From Behavior to Brain	
111.065	M. Holtmann	Dissociation of Cognitive and Emotional Empathy: the Multifaceted Empathy Test for Children and Adolescents: MET-J	Lilly, Shire, BMS, Novartis: Consulting fees
111.082	* W. Guthrie	Unfolding of Social Communication and Repetitive Movements Over the Second and Third Years of Life in Children with Autism Spectrum Disorder	Whitney Guthrie: Other: WG is an author of the Autism Diagnostic Observation Schedule - Toddler Module. Whitney Guthrie: Non-remunerative
111.082	C. Lord	Unfolding of Social Communication and Repetitive Movements Over the Second and Third Years of Life in Children with Autism Spectrum Disorder	Western Psychological Services: Receipt of royalties

111.082	A. M. Wetherby	Unfolding of Social Communication and Repetitive Movements Over the Second and Third Years of Life in Children with Autism Spectrum Disorder	Author: Other: AW is an author of the Early Screening for Autism and Communication Disorders (ESAC) Author: Non-remunerative Brookes Publishing: Other: AW is an author of the Communication and Symbolic Behavior Scales (CSBS) Brookes Publishing: Receipt of royalties
111.099	D. L. Robins	Comparison of a Broad-Based Screen Versus Disorder-Specific Screen in Detecting Young Children with An Autism Spectrum Disorder	M-CHAT LLC: Ownership or partnership
111.11	S. H. Mostofsky	Preferences for Activities Embedded in a Social and Non-Social Context in Boys with High Functioning Autism Spectrum Disorder	Bristol-Myers Squibb: Consulting fees
111.112	C. Lord	Screening for Autism Spectrum Disorders: A Re-Examination of the SCQ and SRS	Western Psychological Services: Receipt of royalties
111.13	W. L. Stone	Parenting Stress as a Moderator of the Association Between Observed ASD Symptomatology and Related Parent-Reported Child Behaviors	Vanderbilt University: Receipt of royalties
111.13	A. S. Carter	Parenting Stress as a Moderator of the Association Between Observed ASD Symptomatology and Related Parent-Reported Child Behaviors	Harcourt Assessment: Receipt of royalties
111.141	B. Handen	Development and Implementation of the RUPP Parent Training Program for Children with Autism Spectrum Disorders	NIMH: Research grants Bristol Myers Squibb: Research grants Bristol Myers Squibb: Consulting fees Forest: Research grants Forest: Consulting fees Curemark: Research grants Neuropharm: Research grants Pfizer/Esai: Research grants Autism Speaks: Research grants

111.157	L. Kenworthy	How to Develop An Effective Intervention through the Participatory Research Process: A Case Example in An Executive Functioning Intervention in High-Functioning Autism Spectrum Disorders	BRIEF: Receipt of royalties
111.16	B. Handen	Investigation of the RUPP Parent Training Program for Pre-School Children with ASDs and Disruptive Behavior	NIMH: Research grants Bristol Myers Squibb: Research grants Bristol Myers Squibb: Consulting fees Forest: Research grants Forest: Consulting fees Curemark: Research grants Neuropharm: Research grants Pfizer/Esai: Research grants Autism Speaks: Research grants
111.16	L. Scahill	Investigation of the RUPP Parent Training Program for Pre-School Children with ASDs and Disruptive Behavior	Shire Pharmaceuticals: Research grants Shire Pharmaceuticals: Consulting fees Bristol-Myers: Consulting fees Neuropharm: Consulting fees Boehringer-Ingelheim: Consulting fees Janssen: Consulting fees Supernus: Consulting fees
111.162	I. L. Cohen	Potential Behavioral Precursors to Autism Spectrum Disorders in NICU Graduates	PAR, Inc: Receipt of royalties
111.168	R. L. Koegel	Behavioral Flexibility in Autism and Asperger Disorder: The Impact of Intervention On Child, Parent, and Family Functioning	Koegel Autism Consultants: Ownership or partnership
111.168	L. K. Koegel	Behavioral Flexibility in Autism and Asperger Disorder: The Impact of Intervention On Child, Parent, and Family Functioning	Koegel Autism Consultants: Ownership or partnership
111.169	* M. S. Goodwin	Developing Innovative Ways to Measure and Communicate Autonomic Arousal in Autism Spectrum Disorders	Affectiva: Stock
111.17	W. L. Stone	Early Communication Correlates of Language Development and Autism Symptomatology in Toddlers at-Risk for ASD	Vanderbilt University: Receipt of royalties
111.172	* M. Chez	Effect of Lenalidomide On TNF-Alpha Elevation and Behavior in Autism	Celgene: Research grants

111.178	* L. K. Koegel	Social and Pre-Linguistic Behavior in Infants at Risk of ASD Improves Following Behavioral Intervention	Koegel Autism Consultants: Ownership or partnership
116.003	D. K. Oller	Leader-Follower Dynamics of Adult-Child Vocal Interaction in Autism Spectrum Disorder	LENA Foundation: Other: Member of Scientific Advisory Board (unpaid)
116.003	J. Gilkerson	Leader-Follower Dynamics of Adult-Child Vocal Interaction in Autism Spectrum Disorder	LENA Foundation: Employment (full or part-time)
116.003	J. A. Richards	Leader-Follower Dynamics of Adult-Child Vocal Interaction in Autism Spectrum Disorder	LENA Foundation: Employment (full or part-time)
116.003	D. Xu	Leader-Follower Dynamics of Adult-Child Vocal Interaction in Autism Spectrum Disorder	LENA Foundation: Employment (full or part-time)
116.006	E. Hollander	Oxytocin Increases Empathic Accuracy in Healthy Adults Who Endorse Traits of Autism	U.S. Government: Other: Applied for a patent for oxytocin in autism and related conditions
117.009	M. S. Goodwin	Wireless, in-Situ Measurement of Electrodermal Activity During Occupational Therapy	Affectiva: Stock
117.009	R. W. Picard	Wireless, in-Situ Measurement of Electrodermal Activity During Occupational Therapy	Affectiva: Employment (full or part-time) Affectiva: Ownership or partnership
117.01	* C. Whalen	Enhancing Motivation through Computer-Assisted Instructional Practices	TeachTown, Inc.: Employment (full or part-time) TeachTown, Inc.: Ownership or partnership TeachTown, Inc.: Research grants TeachTown, Inc.: Stock
117.017	R. W. Picard	Embedding Focused Interests Into Computer-Mediated Autism Interventions	Affectiva: Employment (full or part-time) Affectiva: Ownership or partnership
117.018	M. S. Goodwin	Eyes up: Interactive Tangible-Digital Puzzles for Learning about Eyes	Affectiva: Stock
117.018	R. W. Picard	Eyes up: Interactive Tangible-Digital Puzzles for Learning about Eyes	Affectiva: Employment (full or part-time) Affectiva: Ownership or partnership
117.019	* C. Wimsatt	Results From An RCT of FaceSay Software Games	Symbionica, LLC: Ownership or partnership

117.02	J. Hodgins	Eliciting Social-Cognitive Behaviors in Children with ASD Using a Novel Interactive Animated Character	Disney Research, Pittsburgh: Research grants Disney Research, Pittsburgh: Employment (full or part-time)
117.02	L. Georganna	Eliciting Social-Cognitive Behaviors in Children with ASD Using a Novel Interactive Animated Character	Walt Disney Parks & Resorts: Employment (full or part-time)
117.025	* M. Levine	Self-Monitoring with Handheld Computers by Teens with High Functioning Autism/Asperger's Syndrome in Mainstream Settings	SymTrend, Inc.: Ownership or partnership SymTrend, Inc.: Employment (full or part-time) SymTrend, Inc.: Stock
117.025	R. J. Calvanio	Self-Monitoring with Handheld Computers by Teens with High Functioning Autism/Asperger's Syndrome in Mainstream Settings	SymTrend, Incl.: Stock SymTrend, Incl.: Ownership or partnership SymTrend, Incl.: Employment (full or part-time)
117.027	M. S. Goodwin	Design and Evaluation of Interactive, Customizable and Extensible Speech Enabled Games as Speech Therapy for Kids with Autism	Affectiva: Stock
117.027	R. W. Picard	Design and Evaluation of Interactive, Customizable and Extensible Speech Enabled Games as Speech Therapy for Kids with Autism	Affectiva: Employment (full or part-time) Affectiva: Ownership or partnership
118.035	* J. N. Constantino	Redefining Sibling "Recurrence": Language Delays Affect 21% of Otherwise-Unaffected Siblings of ASD Probands	Western Psychological Services: Receipt of royalties
118.056	S. H. Mostofsky	Specificity of Praxis Impairments in Children with Autism	Bristol-Myers Squibb: Consulting fees
118.057	R. Luyster	The Presence of Restricted and Repetitive Behaviors in Infants and Toddlers with Typical Development	Western Psychological Services: Receipt of royalties
118.057	C. Lord	The Presence of Restricted and Repetitive Behaviors in Infants and Toddlers with Typical Development	Western Psychological Services: Receipt of royalties
118.063	S. H. Mostofsky	Profile and Specificity of Motor Deficits in Children with Autism Spectrum Disorder	Bristol-Myers Squibb: Consulting fees

118.066	S. H. Mostofsky	Specificity of Handwriting Impairments in Children with Autism Spectrum Disorder	Bristol-Myers Squibb: Consulting fees
118.068	F. Muratori	Analysis of Unsupported Gait in Toddlers with Autism	IRCSS Pisa: Employment (full or part-time)
118.07	* S. H. Mostofsky	Evidence for Specificity of Anomalous Motor Learning in Autism	Bristol-Myers Squibb: Consulting fees
118.103	S. H. Mostofsky	Association of Primary Sensorimotor White Matter Abnormalities with Anomalous Patterns of Motor Learning in Children with Autism	Bristol-Myers Squibb: Consulting fees
118.107	C. Lord	Disrupted Network Differentiation in Autism: An fMRI Study of Intrinsic Brain Activity in Children	Western Psychological Services: Receipt of royalties
118.114	E. Bullmore	Alexithymia, Metarepresentation, and the Dorsomedial Prefrontal Cortex in Autism	Glaxo Smith Kline: Employment (full or part-time)
118.134	S. Risi	Default Network Correlates of Obsessive Compulsive Symptoms in Autism Spectrum Disorders	Diagnostic instruments described in this poster: Receipt of royalties Diagnostic instruments described in this poster: Other: Receive royalties from publisher; give all profits to a charity.
118.134	C. Lord	Default Network Correlates of Obsessive Compulsive Symptoms in Autism Spectrum Disorders	Diagnostic instruments described in this poster: Other: Receive royalties from publisher; give all profits to a charity. Diagnostic instruments described in this poster: Receipt of royalties
118.151	* W. De la Marche	Social Responsiveness: a Quantitative Intermediate Phenotype in Parents of Children with An Autism Spectrum Disorder	Hogrefe : Receipt of royalties
118.151	E. M. Scholte	Social Responsiveness: a Quantitative Intermediate Phenotype in Parents of Children with An Autism Spectrum Disorder	Hogrefe : Receipt of royalties
118.151	J. Steyaert	Social Responsiveness: a Quantitative Intermediate Phenotype in Parents of Children with An Autism Spectrum Disorder	Hogrefe: Receipt of royalties

118.16	R. L. Koegel	Identification of Autism Specific Impairments through Behavioral Observation of Brief Parent-Child Interactions	Koegel Autism Consultants: Ownership or partnership
118.16	L. K. Koegel	Identification of Autism Specific Impairments through Behavioral Observation of Brief Parent-Child Interactions	Koegel Autism Consultants: Ownership or partnership
118.169	R. Hagerman	Evaluation of Autism Spectrum Disorders in Females with Fragile X Syndrome	johnson and Johnson: Research grants novartis: Consulting fees roche: Research grants Seaside Therapeutics: Other: Clinical trial research contract Seaside Therapeutics: Research grants Forest Pharmaceuticals : Research grants
118.169	D. Hessel	Evaluation of Autism Spectrum Disorders in Females with Fragile X Syndrome	Seaside Therapeutics: Other: research funding Roche: Other: research funding
118.177	R. L. Koegel	Reciprocal Social Conversation in Children and Adolescents with ASD and Asperger Syndrome	Koegel Autism Consultants: Ownership or partnership
120.003	C. Lord	Combining Information From Multiple Sources in the Diagnosis of Autism Spectrum Disorders Using the New ADI-R Algorithms for Toddlers From 12 to 47 Months of Age	Western Psychological Services: Receipt of royalties
120.004	A. M. Wetherby	Diagnostic Features at Time of First Diagnosis in Young Toddlers with Autism Spectrum Disorder: Clinical Observations and Parent Report	Author: Other: AW is an author of the Early Screening for Autism and Communication Disorders (ESAC) Author: Non-remunerative Brookes Publishing: Other: AW is an author of the Communication and Symbolic Behavior Scales (CSBS) Brookes Publishing: Receipt of royalties
121.004	C. E. Rice	Features of Autism Spectrum Disorders Vary by Race and Ethnicity	Consultation: Other: CR conducts a limited number of trainings in the assessment of ASDs as an approved activity outside of federal employment.

121.006	J. N. Constantino	Familial Aggregation of Regression Status and ADOS Parameters Among Individuals with ASD From the AGRE Collection	Western Psychological Services: Receipt of royalties
122.007	* M. J. Morrier	Changes in Educational Placements for Children with Autism Spectrum Disorders (ASDs) in a Population-Based Sample in a US Metropolitan Area	Expert Reviewer: Other: I conduct paid expert reviews for CDC's autism project
122.007	C. E. Rice	Changes in Educational Placements for Children with Autism Spectrum Disorders (ASDs) in a Population-Based Sample in a US Metropolitan Area	
123.003	C. Lord	Longitudinal Change in Social Affect and Restricted and Repetitive Behavior Severity Using the ADOS	Western Psychological Services: Receipt of royalties
123.004	C. Lord	Growth Trajectories of Problem Behaviors Utilizing the Aberrant Behavior Checklist	Western Psychological: Receipt of royalties
124.001	* A. M. Wetherby	Identifying Young Children with Autism Spectrum Disorder through General Population Screening	Author: Other: AW is an author of the Early Screening for Autism and Communication Disorders (ESAC) Author: Non-remunerative Brookes Publishing: Other: AW is an author of the Communication and Symbolic Behavior Scales (CSBS) Brookes Publishing: Receipt of royalties
124.002	* D. L. Robins	M-CHAT Best7: A New Scoring Algorithm Improves Positive Predictive Power of the M-CHAT	M-CHAT LLC: Ownership or partnership
129.001	* L. Sikich	A Feasibility Study of Year-Long Placebo-Controlled Fluoxetine Treatment in Young Children with Autism	Bristol Myers Squibb: Research grants Bristol Myers Squibb: Other: donation of medication Pfizer: Research grants
129.001	E. Hollander	A Feasibility Study of Year-Long Placebo-Controlled Fluoxetine Treatment in Young Children with Autism	Neuropharm: Consulting fees
129.003	* G. Dawson	The Early Start Denver Model: Moderators of Response to An Early Intervention for Toddlers with Autism Spectrum Disorder	Guilford Publishing, Inc.: Receipt of royalties

129.003	S. J. Rogers	The Early Start Denver Model: Moderators of Response to An Early Intervention for Toddlers with Autism Spectrum Disorder	Guilford Publishing, Inc.: Receipt of royalties
130.001	L. Sikich	fMRI of Citalopram Treatment in Autism	Bristol Myers Squibb: Other: donation of medication Bristol Myers Squibb: Research grants posit science: Other: donation of software Pfizer: Research grants seaside pharmaceuticals: Other: participation in sponsored clinical trial curemark: Other: participation in sponsored clinical trial Eli Lilly: Other: medication for trial Janssen: Other: donation of medication for trial Neuropharm: Other: participation in sponsored trial Medscape: Other: provide CME materials (program is sponsored by BMS)
130.004	J. J. Pekar	Neural Correlates of Response Inhibition and Response Monitoring in Autism	Philips Healthcare: Other: I serve as Manager of the F.M. Kirby Research Center, which receives research support from Philips HealthCare, which manufactured the MRI scanners used in this study.
130.004	S. H. Mostofsky	Neural Correlates of Response Inhibition and Response Monitoring in Autism	Bristol-Myers Squibb: Consulting fees
130.015	S. Risi	Neural Activation to Emotional Faces in Adolescents with Autism Spectrum Disorders	Western Psychological Services: Other: gave all profits to charity Western Psychological Services: Receipt of royalties
130.015	C. Lord	Neural Activation to Emotional Faces in Adolescents with Autism Spectrum Disorders	Western Psychological Services: Receipt of royalties
130.02	E. Hollander	The Cingulum Bundle in Developing Children and Adolescents with Autism Spectrum Disorders: A Diffusion Tensor Tractography Study	Neuropharm: Consulting fees

130.053	* K. Gadow	Biopsychosocial Model of ADHD in Autism Spectrum Disorder	Checkmate Plus: Stock
130.054	L. Gallagher	Comorbid Psychopathology in Children with ASD and An Age- and IQ-Matched Control Group	AS: Research grants
130.06	* I. L. Cohen	Associations Between Early Measures of Medical Complications and Neurobehavioral Integrity with Later Dimensional Measures of Autism Traits in NICU Infants	PAR, Inc: Receipt of royalties
130.085	R. P. Malone	The Effects of Olanzapine On QTc in Children with Autistic Disorder	Lilly: Research grants
130.09	* C. Whalen	Using Computer Aided Instruction to Improve Motivation and Learning	TeachTown Inc.: Stock TeachTown Inc.: Employment (full or part-time) TeachTown Inc.: Ownership or partnership
130.093	* R. P. Malone	Metabolic Effects of Olanzapine in Children with Autistic Disorder	Lilly: Research grants
130.12	B. Handen	Pilot Testing of a Sleep Training Program for Children with Autism Spectrum Disorders	NIMH: Research grants Bristol Myers Squibb: Research grants Bristol Myers Squibb: Consulting fees Curemark: Research grants Neuropharm: Research grants Pfizer/Esai: Research grants Forest: Research grants Forest: Consulting fees Autism Speaks: Research grants
130.127	M. Sheng	Scent Marking as a Measure of Olfactory Communication in Shank1 Null Mutant Mice	Genentech: Employment (full or part-time)
130.136	M. Sheng	Behavioral Phenotypes of Shank1 Mutant Mice	Genentech: Employment (full or part-time)
130.137	* M. J. Simonneau	Constructing a Transgenic Mouse Model Based On SLC25A12, MARK1 and PRKCB1 Gene Dosage Imbalance Mimicking Gene Expression Changes Found in Brain of ASD Patients	INTEGRAGEN: Research grants

130.137	J. Hager	Constructing a Transgenic Mouse Model Based On SLC25A12, MARK1 and PRKCB1 Gene Dosage Imbalance Mimicking Gene Expression Changes Found in Brain of ASD Patients	INTEGRAGEN: Employment (full or part-time)
133.007	C. Lord	Altered Functional Connectivity During Rest is Related to 5-HTTLPR Genotype in Autism Spectrum Disorders	Western Psychological Services: Receipt of royalties
134.006	P. Asherson	Genetic and Environmental Influences On the Overlap Between Autistic-Like Traits and ADHD Behaviors in Early Childhood	Wellcome Trust: Research grants National Institute of Health Research : Research grants Shire: Speakers' bureau Shire: Consulting fees Shire: Research grants Flynn Pharma: Speakers' bureau Flynn Pharma: Consulting fees Eli-Lilly: Consulting fees Janssen-Cilag: Speakers' bureau Janssen-Cilag: Consulting fees Medical Research Council: Research grants
136.067	B. A. Malow	Melatonin for SLEEP IN AUTISM: A DOSE-RESPONSE STUDY	Natrol: Other: provide study drug for trial
136.072	C. E. Rice	Parenting Stress Associated with Autism Spectrum Disorders, 2007 National Survey of Children's Health	ADOS assessments: Other: I conduct a limited number of trainings on the assessment of ASDs as an approved outside activity as a federal employee.
136.079	C. E. Rice	ASD Diagnosed and Then Ruled out by Community Professionals in a Population-Based Study	Consultation: Other: I conduct a limited number of trainings in the assessment of ASDs as an approved outside activity from federal employment.
136.092	* J. Fuentes	Identification of Asperger Disorder (AD): a Pilot Study in Gipuzkoa, Spain	Janssen Cilag: Other: Travel and lodging support
136.092	R. Canal	Identification of Asperger Disorder (AD): a Pilot Study in Gipuzkoa, Spain	University of Salamanca: Employment (full or part-time)
136.094	D. L. Robins	Maternal Education as a Differentiating Factor for Willingness to Participate in ASD Diagnostic Evaluations	M-CHAT LLC: Ownership or partnership
136.119	K. Fontaine	ITGB3 Gene Variants Double the Risk of An Autism Spectrum Disorder Diagnosis	IntegraGen SA: Employment (full or part-time)

136.119	F. Rousseau	ITGB3 Gene Variants Double the Risk of An Autism Spectrum Disorder Diagnosis	IntegraGen SA: Employment (full or part-time)
136.119	P. Lewin	ITGB3 Gene Variants Double the Risk of An Autism Spectrum Disorder Diagnosis	IntegraGen SA: Employment (full or part-time)
136.12	C. P. Schaaf	Importance of in Depth Genotyping for Chromosome 15q13.3 and CHRNA7 in Evaluation of AUTISM, Mental Retardation, Schizophrenia, Bipolar Disorder, and Epilepsy	Baylor College of Medicine: Employment (full or part-time)
136.12	P. Stankiewicz	Importance of in Depth Genotyping for Chromosome 15q13.3 and CHRNA7 in Evaluation of AUTISM, Mental Retardation, Schizophrenia, Bipolar Disorder, and Epilepsy	Baylor College of Medicine: Employment (full or part-time)
136.12	A. L. Beaudet	Importance of in Depth Genotyping for Chromosome 15q13.3 and CHRNA7 in Evaluation of AUTISM, Mental Retardation, Schizophrenia, Bipolar Disorder, and Epilepsy	Baylor College of Medicine: Employment (full or part-time)
136.131	* M. Elfert	Psychoeducational Group Interventions for Parents of Children with Autism: Where Are the Fathers?	Autism Research Training (ART): Research grants
136.134	R. L. Koegel	Stress in Parents with Children at-Risk for ASD: Self-Referred Versus Pediatrician-Referred	Koegel Autism Consultants: Ownership or partnership
136.134	L. K. Koegel	Stress in Parents with Children at-Risk for ASD: Self-Referred Versus Pediatrician-Referred	Koegel Autism Consultants: Ownership or partnership
138.006	J. N. Constantino	Personal Space and Interpersonal Distance in Autism: Insights From the SRS	Western Psychological Services: Receipt of royalties
139.001	S. H. Mostofsky	Evidence That Anomalous Patterns of Imitation-Dependent Visuomotor Sequence Learning Is Specific to Autism	Bristol-Myers Squibb: Consulting fees
139.005	D. L. Robins	Incremental Validity of a Second Screen at 24 Months and Stability of Diagnosis Made at 18 Vs. 24 Months of Age	M-CHAT LLC: Ownership or partnership

139.007	A. S. Carter	Parental Well-Being Is Associated with Child Behavior Among Toddlers with Early Autism Symptomatology	Alice S Carter: Receipt of royalties
139.007	W. L. Stone	Parental Well-Being Is Associated with Child Behavior Among Toddlers with Early Autism Symptomatology	Vanderbilt University: Receipt of royalties
140.004	* E. Berry-Kravis	Arbaclofen for the Treatment of Children and Adults with Fragile X Syndrome: Results of a Phase 2, Randomized, Double-Blind, Placebo-Controlled, Crossover Study	Seaside Therapeutics: Other: Clinical trial research contract
140.004	M. Cherubini	Arbaclofen for the Treatment of Children and Adults with Fragile X Syndrome: Results of a Phase 2, Randomized, Double-Blind, Placebo-Controlled, Crossover Study	Seaside Therapeutics: Employment (full or part-time)
140.004	P. Zarevics	Arbaclofen for the Treatment of Children and Adults with Fragile X Syndrome: Results of a Phase 2, Randomized, Double-Blind, Placebo-Controlled, Crossover Study	Seaside Therapeutics: Employment (full or part-time)
140.004	B. Rathmell	Arbaclofen for the Treatment of Children and Adults with Fragile X Syndrome: Results of a Phase 2, Randomized, Double-Blind, Placebo-Controlled, Crossover Study	Seaside Therapeutics: Employment (full or part-time)
140.004	P. P. Wang	Arbaclofen for the Treatment of Children and Adults with Fragile X Syndrome: Results of a Phase 2, Randomized, Double-Blind, Placebo-Controlled, Crossover Study	Seaside Therapeutics: Employment (full or part-time)
140.004	R. Carpenter	Arbaclofen for the Treatment of Children and Adults with Fragile X Syndrome: Results of a Phase 2, Randomized, Double-Blind, Placebo-Controlled, Crossover Study	Seaside Therapeutics: Ownership or partnership Seaside Therapeutics: Employment (full or part-time)
140.004	M. Bear	Arbaclofen for the Treatment of Children and Adults with Fragile X Syndrome: Results of a Phase 2, Randomized, Double-Blind, Placebo-Controlled, Crossover Study	Seaside Therapeutics: Ownership or partnership

140.004	R.
